

Clinic Setup Pro Mentorship

The Details

Are you ready to set up your own private practice but not sure where to start? With our Mentorship service, you won't have to navigate the process alone. We'll provide you with a clear, step-by-step guide and support you every step of the way.

You'll gain access to my trusted network of professionals, from CQC specialists to marketing experts, and I'll share all the insider tips on software, location, patient management, and more. You'll have the freedom to make your own decisions, backed by the confidence that comes from having an experienced mentor in your corner. This way, you can focus on what you do best: caring for your patients.

The Roadmap

2

BUSINESS PLAN

We'll discuss your clinic vision, services, location, and financial goals on a call. Using our expert advice, templates, and guides, you'll draft your business plan. Once it's ready, we'll fine-tune it together, ensuring you have a solid foundation for success.

LOCATION

3

You'll make the final call, but we'll guide you in narrowing down the best locations based on your clinic's needs, giving you the tools to choose wisely.

COMPLIANCE

We'll connect you with trusted CQC/HIS experts to handle the heavy lifting for you. Meanwhile, we'll guide you on the broader requirements, from ICO data protection to local regulations.

TECHNOLOGY

We'll recommend patient

systems that fit your clinic's

needs, and guide you on how

to integrate them effectively.

management software,

booking, and payment

SETUP

We'll offer advice on layout, equipment, and design to help you create a functional and compliant space. You'll lead the setup, but we'll be here to guide you on making the best decisions.

MARKETING

You'll get free access to my marketing guides and ongoing support as you develop your brand, website, and marketing plan. I'll also connect you with experts who can manage every aspect of marketing, so that you can focus on your clinic.

9

VENDORS

We'll help you identify the right partners, labs, imaging centres, and other providers, based on your clinic's specific services, giving you the guidance to choose the best vendors.

LAUNCH

It's time to launch! After all your hard work, your clinic is ready to go. We'll be by your side to help with any final preparations and ensure you're confident as you welcome your first patients.

POST-LAUNCH

10

For six months after launch, we're here to help with any issues that arise, from troubleshooting tech problems to handling unexpected challenges. We'll support you as your clinic gets up and running smoothly.

Ready to take the next step?

You've seen the roadmap, and now it's time to bring your vision to life. Whether you're eager to get started or have a few final questions, let's connect and talk about how we can make your clinic a reality. Without the overwhelm.

I'm here to help you every step of the way.
